We have a main savings account (Share 1), along with separate budgeting accounts - such as the Christmas Saver and School Saver - plus, a dedicated Junior Saver account. Unless you tell us otherwise, all savings will go into Share 1. You can choose to split your savings across these accounts to help manage your money more effectively. We receive one single payment, which we'll divide according to your instructions below:

Share 1	Christmas Saver	School Saver	Junior Saver (separate account)	TOTAL
