

Our Junior Saver Account can be opened from birth and will provide a secure and safe savings account for your young person. This account will remain under your control until the child reaches 17, at which point they will automatically become the owner of the account and any funds that it contains.

Do not worry though, we will write to you before to remind you and you can decide then what you would like to do going forward.

If you would like to set up an account for your young person, please complete the below form and return it to us along with proof of the Junior Saver's identity (Birth Certificate, Passport) at: info@yourcb.org.uk

There is no need to complete a second standing order form. Please just let us know below how much you would like to be allocated from each deposit to this account.
